

DEPARTMENT OF ORDERLY
REINCARNATION

The DoOR welcomes you

WELCOME, SOUL

Notice of arrival for the newly liminal.

Feeling lost, dusty, or faintly euphoric?

That is perfectly normal! It simply means your Processing has begun. There is nothing to fear and, helpfully, nowhere else to be.

Step inside —
please turn over

You have arrived at a Processing Station of the Department of Orderly Reincarnation. If you do not recall the journey here, the system is working as intended. You are, at present, neither here nor there: the life you came from has concluded; the life you are going to has not yet been assigned.

*Congratulations are not in order,
but are available upon request.*

Wear your Soul-Band. It marks you as a fellow traveller. Others wear it too — you are not walking alone, and you may bond with others. *(Bonding may produce lasting connection — a side effect the Department long ago stopped trying to prevent.)*

Feeling stuck? We've designated volunteer spirits to guide you through this journey, they aren't very talkative but will point you to the right spot. Additionally, the DoOR's Subdepartment of Support can be reached through Hermes, send a message using the code **#THCLUE** *(Processing takes as long as it takes — we apologise for the structure of time.)*

*The line is always open; the Department is seldom on the other end of it.
We apologise for the wait. Dial regardless.*
