

DEPARTMENT OF ORDERLY REINCARNATION
CYCLE CONTINUITY DIVISION · VOLUNTARY DISCLOSURE OFFICE

MEMORANDUM General Circulation — All Souls Currently Present
REFERENCE #TH42042
SUBJECT On Connections Between Souls, and What to Do About Them
CLASSIFICATION General — Please Read Before Proceeding

The Department's records show an open file with your name on it. The other party is present at this burn. This memo concerns what to do about that.

The Department tracks connections across lifetimes. Open files take up space. What we have found: a connection that has been *named* counts for much more than one left unspoken.

Write one true thing to someone here with you now. The Department calls this a **reveal**.

. . .

WHAT IS A REVEAL

Not a compliment. Not a confession. Just: *the true thing you haven't said yet*.

- Be specific. "You are wonderful" is not a reveal. "You made me feel less alone" is.
- Short enough to stay honest.
- Do not make it comfortable. The Department has no use for comfortable.
- Write it as though you mean it. You probably do.

HOW TO SEND IT

Write it on any piece of paper and send it through this postbox:

Example — message format

#TH42042

FROM: *Your playa name · where to find you*

FOR: *Their playa name · where to find them*

Then: *your reveal.*

If you don't hear back, return to the postbox. There may be an envelope with your name on it.

The Department's records do not contain a single permanent separation. We mention this without further comment.
